

QGIS Application - Feature request #14375

Manual labeling: reset position and orientation to NULL

2016-02-25 06:21 AM - Denis Rouzaud

Status: Closed	
Priority: Normal	
Assignee: Martin Dobias	
Category: Labelling	
Pull Request or Patch supplied:	Resolution:
Easy fix?: No	Copied to github as #: 22357
Description	
<p>It would be nice to be able to reset position and orientation of labels using map tools. The idea would be similar to the show/hide label map tool:</p> <p>click on the label to move/rotate it shift+click on the feature to reset position/orientation</p>
