QGIS Application - Bug report #15509
Impossible to set a distance for "Around Centroid" placement for polygon labels

2016-09-01 02:20 AM - Harrissou Santanna

Status:	Closed		
Priority:	Normal		
Assignee:			
Category:	Labelling		
Affected QGIS version:	master_2	**Regression?:**	No
Operating System:		**Easy fix?:**	No
Pull Request or Patch supplied:	No	**Resolution:**	not reproducable
Crashes QGIS or corrupts data:	No	**Copied to github as #:**	23433

Description

Polygon layer's properties > Labels tab > Show labels for this layer
Placement tab, select Around Centroid
The distance settings are greyed out

I don't know how but heavily testing the different options in order to write a precise report, I get it work. I can't tell how but the options were available. Note that i tried the options with lines and the "using perimeter" one with all allowed position.

Then I close and reopen the project and once again Distance wasn't available (greyed out)

master_2 and 2.16.2

History

#1 - 2017-05-01 01:03 AM - Giovanni Manghi

- Easy fix? set to No

- Regression? set to No

#2 - 2018-02-04 09:58 PM - Harrissou Santanna

- Resolution set to not reproducable

- Status changed from Open to Closed

- Description updated

seems to work
