QGIS Redmine (QGIS bug tracker) - Feature request #16602
enable sticky login (remember me)

2017-05-23 10:00 AM - Sandro Santilli

Status:	Closed	
Priority:	Normal	
Assignee:	Jürgen Fischer	
Category:	Any	
Pull Request or Patch supplied:	No	

Description

According to Jurgen there's a configuration in Redmine to enable showing a "remember me" checkbox on login, and it is (if I understood correctly) already enabled, but it does not show to me, as you can see in this screenshot:

Oops, it's "stay logged in", and is already shown in the screenshot.
I dunno how I missed it.
