Category:	GUI		
Pull Request or Patch supplied:		**Resolution:**	fixed
Easy fix?:	No	**Copied to github as #:**	13780

Description

Hi!
When editing attributes in attribute table, it would be great to include a "Save Edits" button next to "Toggle editing mode" button, just like there is in the Digitizing toolbar, so one could keep saving its work without the need to minimize the attribute table window to do it.
Best regards,
Pedro Ferreira
