Pull Request or I	Patch sympolied:	Resolution: fixed/implemented	
Easy fix?:	No	Copied to github as #: 17138	
Description			
•			
I know the compos	ser will apply a tile strategy client	size.	
It work very well.			
But sometimes in t	the print result(i use the pdf expo	t) will appear one or more white rectangles as if the qgis composer was un	able to

#1 - 2013-11-19 01:31 AM - Nyall Dawson

Given that master now has the global option "Max retry in case of tile request errors", can this issue be closed now?

#2 - 2013-12-17 02:45 AM - Nyall Dawson

- Resolution set to fixed/implemented

- Status changed from Open to Closed
