

The chained filter in action in form mode:

The screenshot shows a form titled "Adresse der Anlage". Under the heading "Adresse Anlage", there are three dropdown menus: "Zug", "Guggiweg", and "5". To the right of these is a text input field containing "Zug, Guggiweg 5". Below this section is a collapsed section labeled "Grundstücke der Anlage".

The chained filter in multi-attribute search mode (Ctrl-f) is not available:

The screenshot shows a form in "multi-attribute search mode". At the top, there is a "Verwendungszweck" dropdown menu set to "Bitte wählen" and a "Feld ausschließen" button. Below this is the "Adresse der Anlage" section. A large dropdown menu is open, displaying a list of address suggestions: "Baar, Obere Rebhalde 44", "Baar, Rebmatstrasse", "Baar, Steinhäuserstrasse", "Baar, Feldbergstr. 18", and "Baar, Frohburgweg 14". To the right of the dropdown menu is a "Gleich (=)" button and a "Feld ausschließen" button.
