

QGIS Application - Feature request #10118

On the raster "save as" the "layer extent" should be computed automatically

2014-04-25 11:58 AM - Filipe Dias

Status: Closed	
Priority: Normal	
Assignee:	
Category: Rasters	
Pull Request or Patch supplied:	Resolution: fixed/implemented
Easy fix?: No	Copied to github as #: 18583
Description	
<p>On the raster "save as" panel the user has to press "layer extent" for QGIS to read the raster extent. If this is not done, then no output is created.</p> <p>As a user I would expect QGIS to automatically compute the raster's extent.</p>
