

QGIS Plugin Site - Feature request #10125

Add editor comments

2014-04-28 12:23 AM - Paolo Cavallini

Status: Priority: Assignee: Category: Pull Request or Patch supplied:	Open Normal	
Description Approving a plugin is an increasingly complex task. It would be very useful to add a field of comments, visible only to plugin editors, to store info about reasons for non acceptance, etc.
