Description		
I tried to use categorized classify on a vector layer and the result is not usable, because it displayed all kind of categories the same color.		

History

#1 - 2014-05-03 10:09 AM - Gabor Ganzer

- Target version set to Future Release - High Priority

#2 - 2014-05-04 01:53 AM - Salvatore Larosa

- Subject changed from Categorized Style bug to Categorized and graduated style do not work using shapefile as vector provider

- Priority changed from High to Severe/Regression

Confirmed here. It only occurs using shape file. Other providers seem work just fine!

Also graduated style is broken!
