

QGIS Application - Feature request #10226

Add expressions to diagrams (tab position)

2014-05-10 04:06 PM - Harrissou Santanna

Status:	Open	Resolution: Copied to github as #: 18670
Priority:	Normal	
Assignee:		
Category:	Symbology	
Pull Request or Patch supplied:		
Easy fix?:	No	
Description		
<p>Hi,</p> <p>In the layer's properties, there is now the possibility to add expressions on size and attributes fields of diagrams tab. I think it would be nice if we can have the same possibility about the position of the pie/charts, at least on x and y coordinates.</p> <p>Thanks!</p>
