**Description**

Would be nice to have something more interactive and user friendly for scaling data sets from imported vector data. I find that the Affine tool can be difficult to use.

**History**

**#1 - 2014-05-15 04:11 AM - Giovanni Manghi**

*- OS version deleted (2.3)*

*- Operating System deleted (Windows)*

*- Category changed from GUI to Vectors*

*- Subject changed from Improving the usability of scale / transforming layers to Add tool for scale / transforming layers*

**#2 - 2017-05-01 12:48 AM - Giovanni Manghi**

*- Easy fix? set to No*
