Hi Borys, can you explain more about the criteria of 'new' itself? Thanks

#2 - 2016-02-01 01:33 PM - Borys Jurgiel

Unfortunately I can't, as I only moved this ticket to more appropriate category. I just asked the author in the original ticket.

New = Any plugin uploaded or submitted to website in the last 30 days and it doesn't have to be 30 it could be any number of days. It could possibly include or exclude any new versions of a plugin.
