

QGIS Application - Bug report #1046

Unable to change raster layer colormap class values for second time

2008-04-16 12:09 PM - marisn -

Status: Closed	
Priority: Low	
Assignee: nobody -	
Category: Rasters	
Affected QGIS version:	Regression?: No
Operating System: Gentoo	Easy fix?: No
Pull Request or Patch supplied:	Resolution: fixed
Crashes QGIS or corrupts data:	Copied to github as #: 11106
Description	
<p>Add raster layer, add some classes to colormap, confirm with OK. Open raster layer properties dialog for second time and try to edit existing colormap class values - it's impossible till new values are generated with "classify" button.</p> <p>QGIS rev. 8351; Qt 4.3.4</p>	

History

#1 - 2008-05-05 09:49 PM - ersts -

- Resolution set to fixed
- Status changed from Open to Closed

The fields are now editable but the color ramps still need some additional attention to make them more robust and user friendly.

#2 - 2009-08-22 12:54 AM - Anonymous

Milestone Version 0.9.2 deleted
