

QGIS Application - Feature request #10652

Export geometryless table from DB Manager

2014-06-20 01:40 AM - Harrissou Santanna

Status: Open	
Priority: Normal	
Assignee:	
Category: DB Manager	
Pull Request or Patch supplied:	Resolution:
Easy fix?: No	Copied to github as #: 19051
Description	
in DbManager, The only export format proposed currently is shapefile. So geometryless table can't be exported. It would be nice to be able to export table without geometry to csv or something else.

it would be nice of course, but yiu can achieve that in many ways in QGIS, examples: "save as..." and also a bunch of plugins.
