

QGIS Application - Bug report #11692

Can't remove legend items

2014-11-19 01:17 PM - Kate Dougherty

Status: Closed	
Priority: Normal	
Assignee:	
Category:	
Affected QGIS version: 2.6.0	Regression?: No
Operating System:	Easy fix?: No
Pull Request or Patch supplied:	Resolution: invalid
Crashes QGIS or corrupts data:	Copied to github as #: 19936
Description	
<p>Hi, I'm an Esri user fairly new to QGIS. I'm unable to remove items from the legend display in print composer - the green minus button is grayed out and doesn't activate. I was able to do it on a different project though. Any ideas why this is happening, and what I can do about it? Thanks.</p>
