QGIS Application - Feature request #11752 Save / export as image doesn't remember last used file type

2014-11-27 03:06 AM - marisn -

Status:	Open	
Priority:	Low	
Assignee:		
Category:	GUI	
Pull Request or Patch supplied:		Resolution:
Easy fix?:	No	Copied to github as #: 19985
Description		
Both Print compose	er and main application options o	aving as an image are affected.
Steps to reproduce	:	
 Project -> Save 	e as image	
- Choose "PNG"	as an image type, save image	
- Repeat aforem	entioned steps	
Result:		
	porting / saving as an image, the	st of supported file formats is offered by default (BMP), although previously other
more common file ty		
Expected result:		
A last used file form	nat is offered on next save / expo	In provided test case it should be PNG when "Save as image" dialog is opened for a
second time.
