

QGIS Application - Feature request #11781

Processing - Add missing input parameters (e.g. CRS or folder) to modeler

2014-12-03 02:26 AM - Anita Graser

Status: Closed	
Priority: Normal	
Assignee: Victor Olaya	
Category: Processing/Modeller	
Pull Request or Patch supplied: No	Resolution: fixed/implemented
Easy fix?: No	Copied to github as #: 20009
Description	
Currently, scripts support more parameters than the modeler does (see doc http://docs.qgis.org/testing/en/docs/user_manual/processing/scripts.html) e.g. CRS or folders It would be good if the modeler would support the same parameters as scripts do.
