QGIS Application - Feature request #11947
Map Composer - Gridding - Coordinate Decimal Layout

2015-01-05 02:11 AM - BRUNO BELLAZZI

Status:	Closed		
Priority:	High		
Assignee:			
Category:	Map Composer/Printing		
Pull Request or Patch supplied:	No	**Resolution:**	duplicate
Easy fix?:	No	**Copied to github as #:**	20155

Description

It Should be fine to have the possibility to handle the coordinate information (in decimal or grades) with these possibilities :

- Dimenison of first xx numbers info more big that the other number info coordinate and style
- Possibility to change color of this number with different dimension and stile.
- possibility to insert the dot for decimal.

This can permit to compose more hi level looking of the maps.(at least for me)

See please the screen shot annexed .

Thanks a lot for your feed back

History

#1 - 2015-01-05 02:14 AM - BRUNO BELLAZZI

Sorry is not a bug but a new issue and I do not know how to change the issue. Thanks

#2 - 2015-01-05 02:20 AM - Paolo Cavallini

- Tracker changed from Bug report to Feature request

#3 - 2015-01-05 01:02 PM - Nyall Dawson

- Resolution set to duplicate

- Status changed from Open to Closed

Duplicate of #10301
