

QGIS Application - Feature request #12067

Add a search bar in the "Get scripts and models" dialog

2015-01-27 08:53 AM - Harrissou Santanna

Status:	Closed	Resolution: Copied to github as #: 20268
Priority:	Normal	
Assignee:	Victor Olaya	
Category:	Processing/Core	
Pull Request or Patch supplied:	No	
Easy fix?:	No	
Description		
<p>Hi,</p> <p>As the aim is to collect various scripts and models written by all of us with the "get scripts and models" tool in the Processing toolbox, having a search bar in the eponymous dialog will be a great improvement, once there will be more and more tools added.</p> <p>Thanks</p>
