| <b>Description</b>  |                                     |
| There are scale bar subdivisions without labels only left from zero, and it would be nice to have them at the right side also. [[<br><a href="http://gis.stackexchange.com/questions/123969/is-it-possible-to-subdivide-scale-bar-segments-in-qgis">http://gis.stackexchange.com/questions/123969/is-it-possible-to-subdivide-scale-bar-segments-in-qgis</a> ]] |                                     |

### History
