

## QGIS Application - Feature request #12161

### ESRI Filegdb should be listed under Database on Add Vector

2015-02-09 07:21 PM - Corey Burger

<b>Status:</b>	Open	<b>Resolution:</b> <b>Copied to github as #:</b> 20354

<b>Easy fix?:</b>	No	
<b>Description</b>  The ESRI File GeoDATABASES are accessed through "Directory", which took me quite a bit of finding the first time I tried to open one. As they are considered by users to be databases, they should be listed under them in the UI (yes, I understand the technical realities/limitations, this is about user experience, not the ugly messy bits under the hood)		

#### History

##### #1 - 2015-02-10 12:11 AM - Giovanni Manghi

- Category changed from Simplification to GUI

##### #2 - 2015-02-10 12:44 AM - Jürgen Fischer

- Target version set to Future Release - Nice to have

- Priority changed from Normal to Low

- Tracker changed from Bug report to Feature request

##### #3 - 2017-05-01 12:47 AM - Giovanni Manghi

- Easy fix? set to No
