

QGIS Application - Feature request #12270

List Unique Values based on selection

2015-02-25 09:05 PM - Willem Buitendyk

Status: Closed	
Priority: Normal	
Assignee:	
Category:	
Pull Request or Patch supplied:	Resolution:
Easy fix?: No	Copied to github as #: 20454
Description	
Having the ability to return a list of unique values based on a feature selection. Currently ftools does not provide this ability. Basic statistics allows this ability but the 'List Unique Values' does not and is sorely missing.
