

QGIS Application - Feature request #12313

Order of values in ValueMap

2015-03-04 08:10 AM - Mart Reinola

Status: Closed	
Priority: Normal

Category:	
Pull Request or Patch supplied:	Resolution: duplicate
Easy fix?: No	Copied to github as #: 20491
Description	
<p>When i define a field of a vector layer as ValueMap and define the values, then the Feature Attributes dialog window will show the values in combo box ordered alphabetically. This is usually not a good order, but i can't re-arrange the values.</p> <p>Would be great if there was an index which would define the order of values in combo-box.</p>
