QGIS Application - Bug report #12352
Sort order for custom scales

2015-03-10 12:25 PM - Paolo Cavallini

Status:	Closed			
Priority:	Normal			
Assignee:				
Category:	GUI			
Affected QGIS version:	2.8.1	**Regression?:**	No	
Operating System:		**Easy fix?:**	No	
Pull Request or Patch supplied:		**Resolution:**	fixed/implemented	
Crashes QGIS or corrupts data:		**Copied to github as #:**	20527	

Description

If I add a scale to the Options, this is not sorted according to the ratio (s, 1:3,000,000 goes below 1:1,000). I do not see a button to sort them automatically, nor one to move one particular scale up and down the list.
