

QGIS Application - Feature request #12724
Add GeoPackage to "Save Vector Layer as..."

2015-05-08 12:04 PM - Sfkeller -

Status:	Closed		
Priority:	Normal		
Assignee:			
Category:			
Pull Request or Patch supplied:	No	Resolution:	duplicate
Easy fix?:	No	Copied to github as #:	20825
Description GeoPackage 1.0 (*.gpkg) is supported by OGR with a read/write driver. And GeoPackage is already built into the "Add Vector Layer..." dialog. Now, let's add it also to "Save Vector Layer as...". GeoPackage is probably the Shapefile of the future!
