With the attached sample data, I'm still getting an error.

#6 - 2015-05-29 02:38 AM - Joana Marcelino

I also tested the attached sample data in Windows, and it's not working either.

I tested on Ubuntu 14.04 and on a different machine with Windows 7 with a clean install and still got this bug.

Can anyone else please test with the attached sample data?

I can confirm it's fixed.

The problem I was having now resulted from not having deleted a third empty line.
