| Description | | |
| <p>Currently the line color option of rubberband does not separately set the transparency of the contour. It would be nice to be able to have such an opaque contour line associated with a transparent fill.</p> | | |

History

- #1 - 2015-06-12 03:49 AM - Giovanni Manghi
- Target version set to Future Release - Nice to have
 - Category set to Map Canvas

#2 - 2016-03-29 06:10 AM - Alain FERRATON

OK Available in QGIS 2.14

- #3 - 2017-05-01 12:47 AM - Giovanni Manghi
- Easy fix? set to No
