QGIS Plugin Site - Bug report #13
Error changing details on the user map

2011-03-04 11:23 AM - Paolo Cavallini

Status:	Closed

Description

When I try to change my details in the user map, after typing my email I get:

There's been an internal error on the server; it probably wasn't

anything you did, so don't worry too much about it. The site

administrators have been emailed with the details, and they'll probably

get it fixed real soon.
