| **Easy fix?:** | No | | **Copied to github as #:** | 21154 |

**Description**

It would be very nice with the possibility to draw polygons in the print composer. Just like the polygon drawing tool in the QGIS canvas. Currently one can only draw lines, ellipses, rectangles and triangles in the print composer.

**History**

**#1 - 2016-04-07 09:11 PM - Nyall Dawson**

*- Resolution set to fixed/implemented*

*- Target version set to Version 2.16*

*- Status changed from Open to Closed*
