

QGIS Application - Feature request #13247

Centroid fill option for multipart polygons

2015-08-20 01:21 PM - Anita Graser

Status:	Closed	
Priority:	Normal	
Assignee:		
Category:	Symbology	
Pull Request or Patch supplied:	No	Resolution: duplicate
Easy fix?:	No	Copied to github as #: 21308
Description		
<p>The current behavior is that the centroid fill renderer puts a centroid marker into each part of the multipart polygon. It would be nice to have an option to put only one marker at the center of the whole multipart polygon.</p>
