

QGIS Application - Bug report #13461

Select by expression: recent functions are sorted alphabetically not by "age"

2015-09-30 02:28 AM - Harrissou Santanna

Status:	Closed	
Priority:	High	
Assignee:	Nyall Dawson	
Category:	GUI	
Affected QGIS version:	master	Regression?: No
Operating System:		Easy fix?: No
Pull Request or Patch supplied:	No	Resolution:
Crashes QGIS or corrupts data:	No	Copied to github as #: 21508
Description		
<p>In previous releases, in Field calculator or in Select by expression dialog, the functions listed under "recent" category were tidied up of the most recent in the oldest. Now, it seems they are sorted alphabetically which complicates things when you're testing various formulae. Finding the last used is no more easy.</p> <p>master fea4ed9</p>		

Associated revisions

Revision 74110bbb - 2015-10-05 12:46 PM - Nyall Dawson

Maintain order of recent expressions (fix #13461)
