

QGIS Application - Bug report #13462

Keep functions "Recent" category at the end of the list in Field Calculator

2015-09-30 03:07 AM - Harrissou Santanna

Status:	Closed	
Priority:	Normal	
Assignee:	Nyall Dawson	
Category:	Field calculator	
Affected QGIS version:	master	Regression?: No
Operating System:		Easy fix?: No
Pull Request or Patch supplied:		Resolution:
Crashes QGIS or corrupts data:		Copied to github as #: 21509
Description		
As it's done in "Select by expression" dialog, it would be nice to keep the "Recent (fieldcalc)" category at the bottom of the functions listed.

Maybe "Fields and values" category should also be kept at the bottom of these lists (in both dialogs), just before "Recent", since it does list something different than the other functions categories.
