QGIS Application - Feature request #13526
GRASS modules filter: add the cleanup button

2015-10-05 11:39 PM - Paolo Cavallini

Status:	Closed		
Priority:	Low		
Assignee:			
Category:	GRASS		
Pull Request or Patch supplied:	No	**Resolution:**	fixed/implemented
Easy fix?:	No	**Copied to github as #:**	21569

Description

GRASS modules can be filtered in the GRASS plugin panel. To remove the filter, the user has to select the text and press Del or Backspace.
Better adding a cleanup button, as in most similar situations. See e.g. the Processing filter for an example.
