Easy fix?:	No	**Copied to github as #:**	21673

Description

An overviews/pyramids panel popping up asking what you prefer to do when a raster is loaded could be useful.
It could improve the basic user experience being more friendly, instead of having overviews being built separately.

A "remember my choice" or "do not show again" checkbox can let the user choose if this behaviour can be a default one or not.

History

#1 - 2016-05-24 12:29 PM - Alexander Bruy

- Subject changed from Overview creation panel to Propose create pyramids on raster loading

#2 - 2017-05-01 12:47 AM - Giovanni Manghi

- Easy fix? set to No

#3 - 2017-09-22 10:07 AM - Jürgen Fischer
