

QGIS Application - Bug report #13704

Output path defaults to the QGIS installation folder

2015-10-29 02:56 AM - baditaflorin -

Status: Closed	
Priority: Normal	
Assignee:	
Category: GUI	
Affected QGIS version: 2.8.3	Regression?: No
Operating System:	Easy fix?: No
Pull Request or Patch supplied: No	Resolution: end of life
Crashes QGIS or corrupts data: No	Copied to github as #: 21731
Description	
It does not matter what location i am on, when i hit browse it always default to this location C:\\Program Files\\QGIS Wien\\bin	
Even if 5 seconds before i had put it to be on another path.	
This bug is at least 1-3 years old, from what i remember	

History

#1 - 2015-10-30 02:14 AM - Saber Razmjooei

- Subject changed from *Qgis output does not remember the last location, defaults to* Also in the idea that every single time, it does not matter what location i am on, when i hit browse it always default to this location C:\\Program Files\\QGIS Wien\\bin to *Output path defaults to the QGIS installation folder*
- Category set to GUI

#2 - 2015-10-30 02:25 AM - Nyal Dawson

- Status changed from Open to Feedback

Which browse button is this for? A lot of these have been fixed already, but we need specifics...

#3 - 2015-11-10 04:19 AM - Giovanni Manghi

- Resolution set to not reproducible
- Status changed from Feedback to Closed

Closing for lack of feedback. Reopen if necessary.

- Status changed from Closed to Reopened

What do you mean by browse button ?

#5 - 2016-01-28 02:47 AM - Nyal Dawson

"It does not matter what location i am on, when i hit browse it always default to this location C:\\Program Files\\QGIS Wien\\bin"

Which 'browse' button are you hitting? We need specifics.

#6 - 2016-02-23 01:11 AM - baditaflorin -

On any subsection of the Vector, Raster Menu, if the tool have a Browse button to select a file, the location will be

Live Vector > analysis tools > Distance Matrix , and if i click Browse , this will be the default location where i will start to search for a file C:\\Program Files\\QGIS Lyon\\bin
