QGIS Application - Feature request #13716
Image export options : have a checkbox "Do not show anymore"

2015-10-30 05:46 AM - Harrissou Santanna

Easy fix?:	No	**Copied to github as #:**	21743

Description

While exporting a composition to image, there's a dialog asking about croping to content or redefining the resolution.
It will be nice to add a checkbox "Do not show anymore" for those that don't need such option or have already done the job in "Composition" tab.
