

QGIS Application - Feature request #13843

Point stacker rendering

2015-11-16 09:38 PM - Patrick Palmier

Status:	Open	Resolution: Copied to github as #: 21867
Priority:	Normal	
Assignee:		
Category:	Symbology	
Pull Request or Patch supplied:		
Easy fix?:	No	
Description		
It would be great if QGis could have a point stacker rendering as in Geoserver for point layers
