Description

Hi!

Win 7 sp1 x64, qgis x64 rev. 6a973d6

When I change values in "Options/Digitizing/Rubberband/Line color&Fill color" it doesn't affect on Node Tool - polygon features highlighted by Node Tool have the same semitransparent red background in spite of different values (color and opacity) in "Options/Digitizing/Rubberband/Line color&Fill color"
