

QGIS Application - Feature request #14457

Data defined grid properties in composer

2016-03-11 01:40 AM - Giulio Fattori

Status:	Open	Resolution: Copied to github as #: 22435
Priority:	Normal	
Assignee:		
Category:	Map Composer/Printing	
Pull Request or Patch supplied:	No	
Easy fix?:	No	
Description		
<p>It would be incredibly useful to be able if grid and graticule in QGIS Print Composer can controlled from a variable like other feature in such a way as to make them dependent on the scale of the map.</p> <p>Many thanks</p>

- Subject changed from Grid and graticule in Print Composer to Data defined grid properties in composer

#2 - 2016-08-16 12:36 AM - Johannes Eberenz

Very important feature also for our applications! We would appreciate this a lot.

If someone has some hours to look into this, you could contact me at [johannes.eberenz@landmapp.net](mailto:johannes.eberenz@landmapp.net)
