

QGIS Application - Feature request #14518

Attach comments to a component in model builder

2016-03-17 12:40 AM - Magnus Nilsson

Status:	Open	Resolution: Copied to github as #: 22491
Priority:	Normal	
Assignee:	Victor Olaya	
Category:	Processing/Modeller	
Pull Request or Patch supplied:	No	
Easy fix?:	No	
Description		
<p>Hi</p> <p>I would like to see support for adding/attaching comments to any component. That would, for example, help explaining why a specific tool is used. It should be possible to move and resize it. Great for documentation purposes. I have attached a not so nice sketch of how I see it.</p>
