QGIS Application - Feature request #15131
Add data defined overrides to Vector Field markers

2016-06-25 06:27 AM - Anita Graser

Status:	Closed			
Priority:	Normal			
Assignee:				
Category:	Symbology			
Pull Request or Patch supplied:	No		**Resolution:**	fixed/implemented
Easy fix?:	No		**Copied to github as #:**	23071

Description

Currently, Vector Field markers do not offer data defined overrides for any of their settings. This feels like a severe limitation compared to other symbol layer types.
