| <b>Pull Request or Patch supplied:</b>   | <b>Resolution:</b> fixed/implemented |
| <b>Easy fix?:</b> No   | <b>Copied to github as #:</b> 23219  |
| <b>Description</b>   |                                      |
| It would be handy if the clipper dialog had a drop-down to select another loaded raster to copy the extent from as the settings for clipping the target layer. |                                      |

### History

#### #1 - 2017-02-09 12:49 PM - Alexander Bruy

- Resolution set to fixed/implemented
- Category changed from Rasters to Processing/GDAL

Should be fixed in Processing front-end. Please reopen if necessary

#### #2 - 2017-02-09 12:49 PM - Alexander Bruy

- Status changed from Open to Closed

#### #3 - 2017-02-12 06:06 AM - belg4mit -

Was this actually fixed then, or did you mean to change the category (as you wrote) but instead closed it?
