

QGIS Application - Feature request #15326
Group geoprocessing tools by type, not source

2016-07-21 10:15 PM - Corey Burger

Status:	Rejected	
Priority:	Normal	
Assignee:		
Category:	GUI	
Pull Request or Patch supplied:		Resolution: wontfix
Easy fix?:	No	Copied to github as #: 23258
Description		
The geoprocessing tools are currently grouped by their source: QGIS, GRASS, Saga, etc. Your average user doesn't care where they come from, just what they do.		

History

#1 - 2016-07-26 05:15 AM - Alexander Bruy

- Resolution set to wontfix
- Status changed from Open to Rejected

We already had such grouping, but it only confused users and adds a lot of overhead
