

QGIS Application - Bug report #15342

Offset Curve operation does not work in "Single sided buffers (and offset lines) for lines" tool

2016-07-26 04:21 AM - Joseph Liam

<b>Status:</b>	Closed	
<b>Priority:</b>	Normal	
<b>Assignee:</b>	Victor Olaya	
<b>Category:</b>	Processing/GDAL	
<b>Affected QGIS version:</b>	2.16.0	<b>Regression?:</b> No
<b>Operating System:</b>		<b>Easy fix?:</b> No
<b>Pull Request or Patch supplied:</b>		<b>Resolution:</b>
<b>Crashes QGIS or corrupts data:</b>		<b>Copied to github as #:</b> 23274
<b>Description</b>		
<p>From the Processing Toolbox, the GDAL/OGR tool "Single sided buffers (and offset lines) for lines" works fine when selected the Single Side Buffer operation. However, it does not work with the Offset Curve operation. I think this is due to an additional parameter not required by the Offset Curve but is still present.</p> <p>I have included some minor edits to the ogr2ogrnesidebuffer.py script that's saved in:</p> <p><code>/.qgis2/python/plugins/processing/algs/gdal/</code></p> <p>It seems to work but I am no expert in this matter.</p> <p>This report was in response to this question posted on GIS.StackExchange:</p> <p><a href="http://gis.stackexchange.com/questions/202510/how-to-use-the-qgis-gdal-toolbox-offset-lines">http://gis.stackexchange.com/questions/202510/how-to-use-the-qgis-gdal-toolbox-offset-lines</a></p> <p>---</p> <p>Tested on QGIS 2.16.0 64-bit on Windows 7. With Processing Plugin version 2.12.2.</p>
