QGIS Application - Feature request #15403
Georeferencer "Start Georeferencing" should followup after asking its question

2016-08-06 06:30 AM - Dan Jacobson

Status:	Open		
Priority:	Normal		
Assignee:			
Category:	C++ plugins/Georeferencer		
Pull Request or Patch supplied:	No	**Resolution:**	
Easy fix?:	No	**Copied to github as #:**	23333

Description

The green triangle "Start Georeferencing" button often asks us to set a coordinate system, etc.

But when we are through doing that, it doesn't ask us if we are ready to continue or not.

Instead we must remember to push it a second time. It should ask.
