<b>Pull Request or Patch supplied:</b>	<b>Resolution:</b> fixed/implemented
<b>Easy fix?:</b> No	<b>Copied to github as #:</b> 23536
<b>Description</b>	
<p>It would be nice to have a button to refresh the palette of colours supplied by 'random colours' when styling rasters.</p> <p>Pressing the button could present a new set of colours.</p> <p>Currently, one has to change the number of classes back and forth, or select a different palette and then move back to random colours to change it.</p>	

#### History

##### #1 - 2017-05-01 12:46 AM - Giovanni Manghi

- *Easy fix? set to No*

##### #2 - 2017-07-23 05:05 AM - Nyal Dawson

- *Resolution set to fixed/implemented*

- *Status changed from Open to Closed*

- *Description updated*

Implemented for 3.0
