

QGIS Application - Feature request #15788

Processing: make buffer parameters uniform

2016-10-31 01:06 AM - Paolo Cavallini

Status: Closed	
Priority: Normal	
Assignee: Victor Olaya	
Category: Processing/Core	
Pull Request or Patch supplied:	Resolution: duplicate
Easy fix?: No	Copied to github as #: 23708
Description	
Currently we have the following default width for buffers:	
<ul style="list-style-type: none">- ogr 1000- qgis 10- v.buffer.distance: no default- saga 100	
Better set them all to 100, for predictability. Furthermore, the saga one dissolves by default, which does not seem adequate.
