

QGIS Application - Feature request #15821

Add raster import to postgis database to DB Manager import tool

2016-11-07 05:37 AM - Nikolay Lebedev

Status:	Open	
Priority:	Normal	
Assignee:		
Category:	DB Manager	
Pull Request or Patch supplied:		Resolution:
Easy fix?:	No	Copied to github as #: 23741
Description		
<p>For now there is no GUI to load rasters into postgis database, only command line tools like raster2pgsql and ogr2ogr.</p> <p>DB Manager allows import of vector data to the database with a nice GUI, so it could be great to have similar functionality for raster layers aswell.</p>
