Category: Unknown	
Pull Request or Patch supplied:	Resolution:
Easy fix?: No	Copied to github as #: 24140
Description	
<p>I've been using the SetUnitType [1] method in GDAL to keep metadata on raster band units. It would be nice if these could be displayed in the Metadata section of the Layer Properties window.</p> <p>[1] http://www.gdal.org/classGDALRasterBand.html#a43de55de18a8c8925ff235627afe0aba</p>
