

QGIS Application - Feature request #16265

Saving a processing model confirmation dialog

2017-03-02 01:18 PM - Magnus Nilsson

Status: Closed	
Priority: Low	
Assignee: Victor Olaya	
Category: Processing/Modeller	
Pull Request or Patch supplied:	Resolution:
Easy fix?: No	Copied to github as #: 24175
Description	
When I save a processing model QGIS opens a window saying that the model was saved correctly. Is this really necessary? It takes away the focus from the model and I don't see the point of it.
